Expertise

Mr. Bianchi specializes in the fields of banking regulatory and capital market transactions. He also has a strong practice in the field of internal investigations.

Mr. Bianchi frequently advises and represents financial institutions in regulatory proceedings before the Swiss Financial Market Supervisory Authority (FINMA).

He has devoted a substantial amount of time to advising banks, issuers and institutional investors in debt and equity capital market transactions, structuring and registration of collective investment schemes, structuring of derivative transactions, i.e. straight bond issues, equity-linked bond issues (such as 'Alpine' convertible issues of Japanese issuers), structured finance transactions, EMTN programs, warrant programs and structured products programs. He regularly advises clients on all aspects of securities law and represents clients in listing and enforcement proceedings before the SIX Swiss Exchange (SIX). He is a recognised representative for listings on SIX.

Mr. Bianchi serves on the board of various regulated financial services providers.

Mr. Bianchi is distinguished as a leading Banking, Capital Markets and Investment Fund lawyer by Chambers, IFLR 1000, Legal 500, Who's Who Legal and Best Lawyers.
