Expertise

Morgan Boëffard brings extensive expertise in both domestic and international taxation, advising in particular UHNWI on all tax aspects of their private and business activities and corporations on a wide range of tax matters, focusing in particular on M&A, private equity transactions, corporate reorganisations and management participation plans. Morgan has been recognised for his excellence in the field, ranking as a recommended key lawyer by Legal 500 2025 and as a Rising Star in general corporate tax by ITR World Tax for both 2024 and 2025.
