## Expertise

Mr. Graf specializes in national and international tax law. He is advising large and complex domestic and cross-border business structures, M&A, corporate reorganisation and financing transactions. He has a special emphasis on the financial services industry and is very experienced in international fund structures in particular in the private equity and venture capital field.

He has devoted a substantial amount of time to advising individual sportsmen and international sports organisations with respect to taxation aspects of their activities and structuring of international sports events and sports activities.

He regularly advises High Net Worth Individuals on all tax aspects of their private and business activities.

Mr. Graf is distinguished as a leading tax lawyer by Chambers, Legal 500, Who's Who Legal and World Tax. He heads the Tax Group at Niederer Kraft Frey.

Tax
