Expertise

Mr. von Salis specializes in private equity, financing and M&A transactions, with a particular focus on large companies and financial institutions.

In his practice Ulysses von Salis regularly advises investors, managers and target companies on private equity transactions. Furthermore, he acts on behalf of Swiss and foreign corporations and financial institutions with regard to mergers and acquisitions (in particular representing sellers / buyers of banks, pharmaceutical over-the-counter products, consumer products and medtech companies), securitizations (factoring, mortgage loans), financings (credit facilities secured loans) and reorganisations (mergers, demergers, conversions).

Mr. von Salis is distinguished as a leading Corporate / M&A and Banking & Finance lawyer by Chambers and Legal 500, as highly recommended Private Equity Lawyer by Practical Law Company, Best of the Best by Legal Media Group and other legal directories. He has published Fusionsgesetz (Swiss Merger Law), www.fusionsgesetz.ch, and Private Equity Finanzierungsverträge – Funktion Recht Steuern (Private Equity Financing Agreements, Function – Law – Tax, 350 pages, Zurich 2002), and authored various publications on private equity and Swiss corporate law.
