

Conference

the GLOBAL ECONOMIC OUTLOOK FOR 2027

Reception: 09:30 AM
Start of conference: 10:00 AM

Friday
12

June
2026

ZUNFTHAUS ZUR MEISEN
MÜNSTERHOF 20, 8001 ZÜRICH

Join leading experts for a discussion on global economic developments, highlighting both emerging opportunities and potential risks in today's international landscape.

Professor Simon Evenett of IMD Business School in Lausanne will deliver a keynote on the key forces shaping the global economic outlook, including geopolitics, China, Europe's competitiveness, AI and productivity, and evolving market dynamics.

The keynote will be followed by a panel discussion exploring these themes in greater depth and their practical implications, followed by a standing lunch.

Panel Discussion:

Simon Evenett

Professor at IMD Business School

Expert in trade policy and geopolitics, with a focus on global economic relations.

Sharon Bell

Senior European Equity Strategist, Goldman Sachs

Specializing in European equity markets and macroeconomic trends.

Rahul Sahgal

CEO, Swiss American Chamber of Commerce

Dedicated to strengthening economic relations between Switzerland and the United States.

Moderator

Ana Maria Montero

Experienced moderator with a strong ability to translate complex economic topics into clear, engaging insights.
